

Dear Parents/Guardians:

In an effort to provide additional communication to our parents, we are pleased to be able to offer you access to the Parent Portal. The Parent Portal is part of the student information system called Infinite Campus. This will allow Internet access to view:

- Your student's lunch account balance (updated daily at 5:00 p.m.)
- A weekly calendar of school events
- District Notices, including weather-related and emergency school closings
- Your student's schedule with an email link to contact teachers
- The day pattern for your elementary student's art, music, physical education, and science classes
- PTA events and activities
- Your student's attendance record
- A fee statement for the current school year
- Current family demographic information (if changes are necessary, contact the school office)

For grades 7-12, the Portal will also offer:

- A schedule of your student's extra-curricular participation
- A record of your student's academic progress
- Missing assignments

For students in grades 7-12,

- A separate login is available for students to view the above information
- Students should contact the guidance office at the junior high or high school for login instructions.

**If you want to set up a portal account, please contact Molly Muller or Sue Eby at the Belmont Administration Center at 563-332-5550.**

Sincerely,

Jim Spelhaug  
Superintendent  
563-332-5550
