## **The Carl D. Schillig Memorial Scholarship**

Objective of the Scholarship: The primary objective of this scholarship is to memorialize the life of Carl D. Schillig by annually providing a scholarship to a Pleasant Valley High School senior who has plans to continue his/her education beyond high school.

Amount of Scholarship: The scholarship provides the student selected \$4000.00. This sum will be granted over a four-year period in the amount of \$1000.00 per year. The initial \$1000.00 will be sent to the college of the recipient's choice when the following conditions are met: 1) the Carl D. Schillig Memorial Fund, Inc., 2535 Tech Drive, Suite 310, Bettendorf, IA 52722, (319) 332-2200, is notified of official first semester enrollment as a full-time student (minimum of twelve semester hours); 2) the complete address of the office and college receiving the funds is provided. To receive the following years' money, the recipient must provide the same information as listed above, a short narrative that summarizes future plans and how the previous year went, and a record of grades. To retain eligibility for the scholarship, the recipient will maintain a minimum cumulative G.P.A. of 2.0 (4.0 scale).

Enrollment in a two-year community college is acceptable. Recipients attending a community college are limited to a \$2000.00 scholarship (\$1000.00 per year). If the student graduates from the two-year program and transfers to a four-year college the next year, the remaining \$2000.00 is available in \$1000.00 increments. Students pursuing degree/certification programs that are less than two-year programs are not eligible for this scholarship.

Eligibility: The purpose of this scholarship is to assist students who have the ability to succeed in college but have academically achieved in the approximate middle one-third of their graduating class and may be less likely to receive financial assistance in the form of scholarships.

Within this general purpose, the Schillig Family requests the following guidelines be considered in awarding this scholarship:

1. The recipient must be a graduating senior at Pleasant Valley Community High School.
2. The recipient must have a minimum cumulative G.P.A. of 2.3 after seven semesters of high school.
3. The recipient will exemplify Carl Schillig's spirit and interests. The activities Carl was involved include:

School: Class officer, Peer Helper, DARE Program,  
athletics: swimming, cross country, track

Community: 16<sup>th</sup> Iowa Infantry (Civil War Re-enactors)  
Cornbelt Running Club  
Newspaper carrier  
Whitey's Ice Cream employee

Church: Alter server, lector, youth ministry

It is not the family's intention to have the scholarship winner(s) involved in these identical activities, but it is the family's intention to have the scholarship awarded to a well-rounded individual who is involved with school, community, and church activities.

Application and Selection: Students interested in applying for this scholarship will pick up an application form in the high school guidance office. At the end of the application deadline, the high school principal and head counselor will determine semi-finalists. As a general guideline, no fewer than six will be named. The semi-finalists will be interviewed by a team consisting of the high school principal, guidance counselor, and two or three individuals designated by the Carl D. Schillig Memorial Fund, Inc. The decision of this selection panel is final. The winner will be announced at the annual awards ceremony held in the Spring. The family will decide if they wish to have a plaque which recognizes the scholarship and its recipients permanently displayed at the high school.
