

Asia Test

You will need to know the location of the 29 countries, the administrative region, and the 10 bodies of water. You will only need to know 15 capitals - Bangkok, Beijing, Hanoi, Jakarta, Kathmandu, Kuala Lumpur, Manila, Moscow, New Delhi, Phnom Penh, P'yongyang, Seoul, Taipei, Tokyo, and Vientiane.

Asia

All map coloring needs to be done lightly with colored pencils. The names of the countries and bodies of water need to be clearly seen. You do not need to write the names of the capitals on the map. DO NOT ABBREVIATE.

1. On your map write the names of the countries and bodies of water as neatly as you can.
2. Color the following countries purple: Russia, Uzbekistan, Pakistan, Bangladesh, Laos, Indonesia, and Taiwan.
3. Color the following countries orange: Kazakhstan, Afghanistan, Bhutan, Burma, Vietnam, Brunei, and North Korea.
4. Color the following countries green: Turkmenistan, Sri Lanka, China, and Malaysia.
5. Color the following countries yellow: Tajikistan, Nepal, Thailand, South Korea, and Philippines.
6. Color the following countries and administrative region red: Kyrgyzstan, Mongolia, India, Cambodia, Singapore, Hong Kong, and Japan.
7. Place the names of the following bodies of water on the map: Arabian Sea, Aral Sea, Bay of Bengal, Bering Sea, Caspian Sea, Indian Ocean, Pacific Ocean, Sea of Japan, S. China Sea, and Yellow Sea. Color the water light blue.
